Interpreter Certification
for
Human Subjects Research Protocol
for
Exempt, Expedited, or Full Board Review

Instructions and Certifications

Complete this form if interpretation will be used in a Human Subjects Research Protocol (HSRP). The Interpreter(s) is not required to be certified but must demonstrate adequate qualifications to interpret.

By signing this Interpreter Certification for Human Subjects Research Protocol for Exempt, Expedited, or Full Board Review (Interpreter Certification), the Principal Investigator (PI) and the Interpreter(s) certify the following:

- 1. The Interpreter(s) is qualified to interpret in the stated language(s) for the material or substance of the HSRP; and
- 2. Have read and reviewed this Interpreter Certification; certify the accuracy of its contents; any applicable supporting documentation has been included as an attachment; have signed this Interpreter Certification electronically.

After completing the foregoing, submit the Interpreter Certification with supporting documentation via email to the IRB Mailbox:

irb@tamucc.edu

For questions, email:

research.compliance@tamucc.edu

Languages to be Interpreted; Interpreter Qualifications; Documents Interpreted; Participant Certification
